the failure of attempts to tackle global poverty have bred cynicism and compassion fatigue eradicating extreme poverty provides an urgently needed fresh approach which will re energise action on this issue rejecting traditional top down approaches xavier godinot and his colleagues start from the experiences capabilities and strategies of the poor themselves they argue that

the first step is a close connection with poor communities followed by a commitment to take action alongside them life stories from burkina faso france peru and the philippines are used to show that the poor must be involved in their own liberation after decades of failed development policies this book outlines a radical new approach which will enliven debate amongst policy makers researchers students and academics

at the age of 20 mary rabagliati 1942 1992 quit a secretarial job in london to move to an emergency housing camp in france without running water or any sanitation facilities it was 1962 when amongst that bleak squalor and deprivation she began a lifelong commitment to anti poverty work and fighting for the human rights of people on the margins of society working towards a vision that no one should have to live a life trapped by poverty she joined fellow trailblazer joseph wresinski to build the foundations for atd fourth world to develop into an international human rights movement particularly committed to the girls and women whose horizons were drastically curtailed by hardship early motherhood and domestic violence mary s work took her across continents living alongside families in poverty speaking out at the united nations and helping to spark a joyful revolution for social justice drawing from her own personal experiences with mary as mentor and housemate diana skelton s deeply insightful and enriching biography joyful revolution provides the opportunity for mary s distinctive voice to be heard in her native language for the first time allowing people who never met this remarkable woman to discover her story filled with anecdotes correspondence journal entries and more this biography is a testament to the impact mary rabagliati had on the lives around her as she said in the misery of poverty joy matters even more so that people excluded from society can finally join in everything that makes the world extraordinary

tant au niveau des revenus que du développement économique les inégalités n ont pas diminué dans le monde en ce début du troisième millénaire et cela malgré les interventions des gouvernements des ong et des bailleurs de fonds internationaux on commettrait également une grave erreur de diagnostic si l on considérait la pauvreté et l exclusion sociale comme des caractéristiques

réservées aux pays en développement les inégalités dans la répartition du revenu et dans l'accès aux droits existent également dans les pays les plus riches les essais regroupés dans cet ouvrage entendent procéder à une étude aussi exhaustive que possible des rapports entre développement économique égalité et pauvreté cette analyse est conduite dans le cadre de trois grands domaines thématiques le premier présente le cadre théorique de référence relatif aux interconnexions entre développement économique et inégalités le deuxième est consacré à l'étude de la pauvreté et de l'exclusion sociale dans les régions et pays en développement sahel maroc burkina faso nigeria enfin le troisième thème porte sur l'analyse des inégalités et de la pauvreté dans les pays développés en particulier dans les zones urbaines de rome naples munich dublin aux fins d'une analyse comparative dans l'essai introductif growth and inequality theoretical issues and empirical evidence sont examinées les interconnexions entre croissance économique et inégalités les auteurs procèdent ainsi à une revue critique aussi vaste que minutieuse de la littérature en la matière ils démontrent que l'examen des inégalités ne saurait être limité à la répartition du revenu mais qu'il faut également l'étendre à bien d'autres facteurs pour identifier les dimensions réelles du bien être et des inégalités

the need to develop collective skills to acquire a shared long term vision and to manage change is evident given that resources are limited and there is no such thing as complete independence or immunity from the damaging effects of other people's acts or failures to act current trends are having a significant effect on both the scope and the substance of specific responsibilities individual or collective voluntary or statutory in addition extreme interdependence exacerbates the differences between values concepts of well being and interests potentially giving rise to mutually destructive conflicts wastage of resources and externally negative consequences hence the council of europe's proposal to adopt the concept of shared social responsibility as a vital adjunct to specific responsibilities to make them more meaningful in accordance with this concept which is the subject of a charter addressed to governments and to all stakeholders all parties are encouraged to

this book relates the success of a seemingly impossible challenge to have a group of academics and people living in persistent poverty conduct research together what conditions can the knowledge drawn from poverty cross with academic rigor what type of knowledge does this collaboration result in this is what the merging of knowledge presents in terms of the processes of the fourth world university program and the result of its five groups of work history family knowledge work and human activity and citizenship the results featured in this book can be appreciated on many levels at the level of content this unique

collaboration offers knowledge from the very poor regarding their lives that is neglected or misunderstood in fields as varied as history family sociology work sociology and political science this voice of the voiceless is brought to the book by collaborative writing and is presented with the academics methodological and epistemological contribution at the level of gathering and understanding the information collected the very poor are often given the role as witnesses of poverty in interviews here as researchers they contribute to rigorously examined content that illuminates their situations
